Suggested Prayer When Covering Chair: Our Heavenly Father, At such time and place as we know not, there are Comrades being held against their will in hostile circumstances. Prisoners of war and those missing in action who did not return. We plead for assistance in our efforts to bring them home. Our hearts bleed for the families of these Veterans, may we not forget their sacrifice and be reminded by this vacant chair of our duty toward them. Amen.

OPTIONS

See the order form specific to **SHIRTS AND JACKETS**.

ORDERING INSTRUCTIONS FOR CUSTOM SHIRTS AND JACKETS

The options you see on this and the following page are embroidery options that you can choose for the shirts on pages 20 through 27 or the jackets on pages 30 through 35. The options shown on the shirts and jackets are simply samples for illustration purposes. Choose the shirt or jacket you want and then pick the option(s) you want on your shirt or jacket. The embroidery options are **not** patches, but are directly embroidered into the garment. When ordering a garment, make sure you order the correct size, color, etc. because once the garment is embroidered it is permanent.

The base price shown for each shirt or jacket is the price of the garment without any options. The price of each option you select must be added to the base price of the garment. The garment base price includes sizes S thru XL. There is an up-charge for sizes 2XL, 3XL, 4XL and 5XL, which is shown on the garment page.

When ordering a jacket or shirt, order at least one of the options on pages 28 and 29. You may order more than one option. Full back options are only recommended for jackets, including pullovers. The VFW receives a discount for shirts or jackets that are ordered with an embroidery option, which is reflected in the garment base price. If you choose to order a garment without an option, a \$7.00 PLAIN (O Option) charge must be added to the base price for the lost discount.

Options C, Q, and V, are personalized options and unless otherwise specified, the information used in the option will automatically be your VFW Post Number, City and State. However, you may instead choose any two lines of information you wish, within space limitations. The vendor will choose the thread color of the embroidered characters unless you specify a color. All embroidery is done in the U.S.A.

Discounts on orders of 12 garments or more with identical personalization.

If you have any questions, please call 1-800-821-2606.

A LEGACY TO BE PROUD OF

As a Legacy Life Member, you will be known not only for the sacrifices you made as a veteran, but the contributions you continue to make as a member.

An endowment will be made in your name to the VFW that will support your post, your department, and your organization. You choose whether this will be a one-time endowment or a recurring annual endowment.

To find out more visit our website, contact us at membership@vfw.org, or call us at 1-888-JOIN-VFW. We would be happy to send you a brochure listing all of the Legacy Life benefits along with an application.
