“Listen Up Cooties,

At the core of the Military Order of the Cootie is the principle of helping one another, particularly our fellow veterans and specifically those among us who need the most help of all. At each of our initiations, when we were naught but a flailing Atom, we had to be invited to take part in this crummy fraternity of ours. Do not forget that we were chosen for our invitation because we already carried within us a sense of selfless

sacrifice to serve our fellow veterans; that we already bore a hunger for humility and humor to toss caution to the wind and to leave our egos at the door; that we had already proved through our actions that we were willing to be busier than a bee and dirtier than a dung beetle; that we desired for nothing other than the elevation of our comrades by way of their health in all aspects, be that physical, mental or spiritual.

Brothers and Sisters, let us not forget why we are here: To come to the aid of our fellow veterans and their families, to spread joy and cheer through our obscenities and eccentricities, and most importantly, to have a good time while doing it. And yes, by all means, continue to increase and multiply, identify those not yet within our ranks who already carry within them the seed of cheerful service. Foster its growth, and bring them into our fold. Let us not forget that what we do is not about us, instead, our actions are focused on one another, our fellow veterans, service members, family members, loved ones and those around us every day.

I love each and every one of you, I am honored and humbled by your support. Together, we will go forth into this next year with a hunger for work. Sometimes even the smallest of actions can have the largest of impacts so long as our motives are pure. The Veterans of Foreign Wars needs you, our fellow veterans need you, our families need you, the National Home needs you, Supreme needs you, the Grand of Michigan needs you and your Pup Tents need you. Together we will answer that call and I look forward to every second of our lousy work. Go forth and God’s speed.”

“Live to Serve, Serve to Laugh”

Cooties, Brothers and Sisters,

OH, WHAT A BUSY YEAR 2025-2026 WILL BE. Not only will the Supreme MOCA Chaplain Rozalyn Dandridge being from Michigan, we will have the honor of having the Supreme Commander Eric Bell. Boy are the eyes going to be on the Grand of Michigan MOC and MOC Auxiliary.

To my Grand Commander Mark, I am looking forward to working with you. Remember I am only a phone call away. That goes for anyone that needs me.

I'm looking forward to not only working with my Auxiliaries but also with the Grand MOC. Together we can make this a great working Grand for both the MOC and Auxiliary. BUT, we must remember to communicate with each other, both on the Pup Tent and Auxiliary level as well as the Grand Pup Tent and Grand Auxiliary.

If there is a problem, let us know. We cannot fix anything if we don't know about it.

My Chief of Staff Cathy Vargo is already working on starting a new auxiliary. Can we reach our goal of 100% plus 1 before the Grand reaches 100%???? Brothers and Sisters what do you think????

Congratulations to all Officers and Chairmen in both Pup Tents and Auxiliaries as well as the Grand MOC and Auxiliary.

Remember With Love and Harmony

Keep'em Smiling in Beds of White

Joanne York, President
Grand of Michigan
Military Order of the Cootie Auxiliary
