2025 PRIORITY GOALS

Budget

To fully fund relevant programs for veterans, service members, and their families, Congress must:

- Ensure sufficient, timely appropriations and proper budget oversight for VA.
- Authorize VA to receive reimbursements from TRICARE and Medicare.
- Never reduce one veteran's benefits to pay for another.
- Modernize and reform VA and DOD programs that do not meet the needs of service members, veterans, and families.

Disability Assistance and Memorial Affairs

To ensure veterans and their survivors have timely access to earned benefits, Congress and VA must:

- Crack down on unaccredited claims consultants known as Claim Sharks.
- Study all toxic and environmental exposures, and implement programs to ensure health care and benefits are provided to all exposed service members and veterans.
- Properly oversee and update the modernized appeals process, digital claims processing, and antiquated examination process.
- Increase Dependency and Indemnity Compensation, burial allowances, and other benefits for survivors.
- Improve the accuracy of disability compensation claims related to military sexual trauma.
- Ensure that earned VA benefits are never unjustly reduced.

Education, Employment, and Transition Assistance

To ensure veterans succeed after leaving military service, Congress, VA, DOD, and DOL must:

- Improve education benefits through modernized online student housing allowances, child care stipends, parity for Guard and Reserve members, and elimination of delimiting dates.
- Enhance outreach and counseling to veterans eligible for the Veteran Readiness and Employment program.
- Ensure parity of VA and DOD education programs with other federal programs.
- Expand small business, hiring preference, tax incentives, and entrepreneurship resources for veterans and military spouses.
- Increase funding for HUD-VASH vouchers, grant and per diem payments, and pilot programs to combat veteran homelessness.
- Conduct oversight of VA's Transition Assistance Program to ensure compliance with the law, and require the inclusion of accredited claims representatives.
- Eliminate red tape preventing effective use of education and employment benefits.

Health Care

To ensure service members and veterans receive timely access to high-quality health care without increasing cost shares, Congress, VA, and DOD must:

- Eliminate service member and veteran suicide.
- Reform the dysfunctional community care program at VA.
- Strengthen care and research for mental health and traumatic brain injuries.
- Research the efficacy of plant-based alternative therapies for PTSD.
- Improve oversight of Vet Centers to ensure adequate staffing, resources, and funding.
- Enhance programs and services for women and underserved veterans.
- Preserve the integrity of TRICARE.
- Properly implement VA and DOD health IT systems.

- Expand nursing home eligibility and long-term care options.
- Modernize care for veterans outside of the United States.

Military Readiness

To maintain a strong and ready all-volunteer force capable of protecting American interests, Congress and DOD must:

- Enhance quality of life and health care programs that allow service members to focus on the mission.
- Ensure equity of benefits for Reserve Component service members.
- End the military retirement pay and VA disability compensation offset.
- Provide benefits enrollment for all transitioning service members.
- Eliminate sexual assault and harassment from the military.
- Increase military base pay comparability with private sector wages.
- Ensure that military housing and work spaces are safe and modern.
- Eliminate food insecurity in the military.

National Security, Foreign Affairs, and POW/MIA

To fully support the all-volunteer force, protect our nation's citizens, and defend American interests around the world, Congress and DOD must:

- Ensure DPAA is fully funded to perform its personnel recovery mission.
- Deter threats to our national security by supporting our allies in Ukraine, Israel, Korea, and Taiwan.
- Ensure all service members who served in harm's way, to include foreign nationals, translators, and allies receive the recognition, care, and benefits they may have earned.
