

Military & First Responders THRIVE 101: Resilience Fundamentals

ELEVATE YOUR RESILIENCE WITH THRIVE RESILIENCE TRAINING!

Ready to transform your approach to life's challenges – and help others along the way?

Join us for an engaging training to unlock skills that enhance your resilience and well-being. You will leave with renewed confidence and practical tools to navigate life's ups and downs.

TRAINING DETAILS:

Date: Wednesday, June 3, 2026

Time: 9:00am – 4:00pm

Location: Woodhaven Community Center
23101 Hall Rd, Woodhaven, MI 48183

–Lunch provided

I live THRIVE every day. THRIVE has the science and tools to unpack and understand what we're going through – whether from something that happened yesterday or years ago. THRIVE is healing people.

– Summer Robertson, Veteran and Veteran Service Provider, Michigan

DESIGNED FOR:

Veterans, National Guard, Reserve, first responders, family members, as well as veteran service providers and other supporters within these communities.

WHAT YOU'LL LEARN

- ✓ **Improve Coping**
Build a coping skills toolkit to manage stress and handle life's demands
- ✓ **Hone Your Resilience Mindset**
Harness the brain's power to reframe setbacks and boost motivation
- ✓ **Manage Trauma and Protect against Suicide**
Begin to heal the impacts of trauma, reduce risk, and get help when needed.
- ✓ **Build Trusted Relationships**
Employ a framework to meet core emotional needs and strengthen social support

FULLY SPONSORED TRAINING

This training is offered at no cost to you.

THRIVE training is a cornerstone of a multi-year collaboration between the Michigan Department of Health & Human Services, Worldmaker and other key partners to promote resilience and prevent suicide among veterans and military families. We provide specialized training for women, caregivers, and first responders.
