Volume 83 Number 1

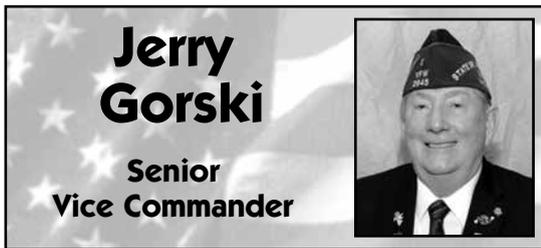

### SENIOR VICE COMMANDER

I would like to first begin by thanking "ALL" the Comrades throughout the Department of Michigan, who supported me and elected me, as your State Senior Vice Commander for 2015-2016. I am so very appreciative to each and every one of you. I will do my very best to serve "ALL" my Comrades throughout the Department of Michigan.

We have a great team this year under the leadership of State Commander Paul McIvor from District 10. I also want to welcome Matt David, our New State Junior Vice Commander from District 6 to our team. ALL of the members on our TEAM are here to serve you and help you in any way possible. Don't hesitate to contact any of us or stop us, wherever we are if there is anything we can help you with.

I want to Congratulate "ALL" of the Elected Officers, Appointed Officers and Appointed Chairpersons at every level throughout the Department of Michigan. No matter what position you hold, whether it is at Post level, Council Level, District Level or Department Level, each of you play a very important part for the success

**Jerry Gorski**

Senior Vice Commander

of "our" Department of Michigan. WE are a TEAM! To be successful, "every" member on the "TEAM" must do his/her part; otherwise, WE will "not" be able to achieve OUR goals.

I just returned from the 116th VFW National Convention in Pittsburgh, Pennsylvania, which was held July 18-22, 2015. Our New Commander-in-Chief is John Biedrzycki from his native-Pittsburgh, Pennsylvania. You can watch and hear his acceptance speech on the V.F.W. National website ([www.vfw.org](http://www.vfw.org)). Commander-in-Chief John visited Michigan, when he was our Senior Vice Commander-in-Chief and attended our Fall Conference (Pow Wow) in 2014 at the Boyne Highlands Resort. He even dressed up for our "Mash" theme at our Department Hospitality Room and he also

*SENIOR VICE COMMANDER, continued on page 3*

I am honored to be writing this article to all of you as your State Quartermaster. Thank you for all the support that you all showed me. It means so much to my family and I. There are several topics that are at the forefront as we start out our new year.

There was a letter that went out about the Trustee's signatures on the Audits. Remember that this is part of the National By-Laws, Manual of Procedure Section 218. Any negligence on the part of the Trustees may make them an accessory to the act of any misuse of Post funds by reason of not performing their duties as prescribed in the By-Laws and in accordance with their obligation. The Bonding Company liability is contingent with the compliance of VFW By-Laws by Post Officers. Meaning if they can prove that the Post was not performing due diligence then they can deny the claim.

The VFW passed a resolution to amend Article XI, Sections 1101-1104 of our National Bylaws at the 116th National Convention in Pittsburgh,

Department Quartermaster

allowing male spouses and family members to join the VFW Auxiliary effective August 21, 2015. This is an exciting time for husbands, sons and fathers of Veterans to be a part of the VFW Auxiliary and to be able to continue to support their family members and other Veterans from all Eras.

We will be having VTS (Veterans Training Seminar) at Fall Conference were there will be a breakout sessions that I will be giving some training for Quartermasters. If you have any questions or concerns feel free to call me or email me anytime. I do my very best to get back with you as soon as I possibly can. It was great to see you all at Department Convention and I can't wait to see you at Fall Conference.

### JUNIOR VICE COMMANDER

I would like to thank everyone for their support and confidence in electing me as the state jr. vice commander for 2015-2016. It is truly an honor and very humbling. I will serve with honor. Thank you to Butch Ogden and Steve Meredith, my traveling companions on the campaign trail. I sincerely appreciate the time you took out of your lives to travel with me. Last but not least, thank you to my beautiful wife Ivette. Without her love and support I would not have been able to do this.

I had the pleasure of being invited and assigned to the Warrior Appreciation Day in Frankenmuth, MI on June 27, 2015 hosted by VFW Post 2725. It was a day of fun for veterans and their families with food and entertainment free of charge. The VA had a booth set up with information available if someone needed it. Also, various vendors were there that offered services to veterans. They had a shuttle taking people to Michigan's Military and Space Heroes Museum. If you are ever in Frankenmuth, it is well worth your time to stop in.

Congratulations to the new post and district jr. vice commanders. I look forward to going through the chairs with you. There is time set aside at the upcoming Fall and Mid-Winter Conferences us to get together. It is a great opportunity for us to meet each other and discuss plans and ideas for when we are in the hot seat. While this is primarily for district and post jr's, all VFW members are welcome to attend.

As always, membership must be a top priority. We have to pursue the new members. They are out there, we just have to go out and find them because they won't just come to us. However, do not forget about our current members. Each post quartermaster can download the unpaid roster for the post. Get this list and go visit these members that have let their membership lapse. Maybe they are on hard times and can't afford to pay their dues. If that is the case, you can use the relief fund to pay their dues. We should never leave a comrade behind simply because they can't afford to pay

**Matt David**

Junior Vice Commander

their dues.

Donations to the various department programs have been down over the last few years. We are blessed to belong to an organization that has many programs designed to support our veterans, their families, and the communities we live in. I do not think there is another charitable organization that you can donate a dollar to where 100% of your donation goes to what you donated for. With the Dept of Michigan, whatever amount you donate to one of the programs, 100% of your donation goes to that program. If you donate to the James N. Goldsmith Cancer Research Fund, 100% of what you donate goes to cancer research. So before you donate to any other organization please give to the programs of the Dept of Michigan VFW first.

I would like to encourage everyone to sign up for the VFW Action Corps Weekly. Simply go to [www.vfw.org/VFW-in-DC/Action-Corps/](http://www.vfw.org/VFW-in-DC/Action-Corps/) and click on the "Join Action Corps" button that will be about half way down the page. Every Friday you will get a news letter of what went on in Washington that week. If a particular piece of legislation needs our support, you will get an email with an electronic petition. All you have to do is click a few boxes and it gets sent to your respective congresspersons. It is so easy to do and this really works.

Again, I want to thank everyone for their support and trust. I am looking forward to working as part of the VFW Team with State Commander Paul McIvor, State Sr. Vice Commander Jerry Gorski, and whoever may be coming up behind me next year. We must work together as a team because it is impossible for one person to do it all. If we work together as a team, we can accomplish anything.

## STATE CHAPLAIN

Comrades, Sisters, and Brothers,

Lots to write about, but you have an entire MOV yet to read [grin]. Instead, this article will briefly focus upon hope, diligence, and sustainability. Since we are called to serve others -- veterans, their families, troops, our communities, state, and nation -- hope is a terrific way to begin.

The desire and wish to keep our Veterans of Foreign Wars' Posts strong is evident within Michigan. For the Posts that have many active volunteers and are fiscally sound, may your strength prevail. For the Posts that have few active volunteers and are financial secure, may your bounty increase. For our Posts that have a handful holding them together and/or funds are tight, please do not despair. Rather, may you be reinvigorated by sound efforts that allow new membership and proactive ideas. Above all, may every Post remain hopeful and keep pushing proactively forward.

Diligence is a key component to Post longevity, regardless if you are struggling or thriving. We are not going to move forward or even maintain our Posts by stagnation, but we must also be wise. That means being careful with your resources (time, people, money, etc.) and driven by astuteness and virtue rather than ego. Success is often realized when we consider viable options that may work or have worked in other places rather than rushing to things that have not worked or simply doing nothing. Proverbs 21:5 ESV, "The plans of the diligent lead surely to abundance, but everyone who is hasty comes only to poverty."

Last, sustainability is the goal that all Post Commanders, Auxiliary Presidents (and District, County, and Dept.) and all

**Jennifer Smith**  
State Chaplain

members should be seeking to obtain. If we do not ensure that our Posts are healthy enough to last for years to come, they will likely not be such. From the perspective of a Past Post and District Commander (and Chaplain), it is certainly not an easy endeavor at times. Our volunteers are tired and we need others to help. However, we must attract new members and energize inactive members by remaining relevant, engaged, and an unmistakable force for good. The strategies for this will vary from Post-to-Post, but every effort helps, including submitting reports and undertaking efforts as you can.

If we endeavor keep hopeful, be diligent in our choices and efforts, and do our best to ensure we promote the worthy missions of the VFW for current and subsequent generations, we can prevail. Please rejoice and empower each other with the amazing things the VFW has to offer and the blessings of that service and fellowship, all by His grace. Hope is indeed a wonderful way to begin and to end. 2 Peter 1:5-7 ESV, "For this very reason, make every effort to supplement your faith with virtue, and virtue with knowledge, and knowledge with self-control, and self-control with steadfastness, and steadfastness with godliness, and godliness with brotherly affection, and brotherly affection with love."

May God bless you.

## STATE SURGEON GENERAL

Dear Comrades;

I look forward to seeing you all at Convention.

## DEPARTMENT ADJUTANT

I want to congratulate all the newly elected and appointed officers for the 2015-2016 year. I'm looking forward to working with you to make this a great year. We just returned from National Convention in Pittsburg Pennsylvania and as of August 21, 2015, the Ladies Auxiliary will start taking men into their ranks and it will be known as Veterans of Foreign Wars and the Auxiliary of the United States of America. There is still work to be done from National and I'm sure there working on it.

The new Podium Edition of the National Bylaws, Manual of Procedure and Ritual will be out in November. There are new changes to the Bylaws and Manual of Procedure that you will need for reference. Order the 2016 edition now and National will mail it as soon as

**Brian Coats**  
Department Adjutant

they are printed. Reference the Emblem and Supply Catalog or go online. Post inspection form Section 5(g) asks, "Does the Post Adjutant maintain a current copy of Department and National By-Laws?" Adjutants should order their new Podium Edition now to be in compliance for next year's post inspection. Thank you all for allowing me the opportunity to be in this position. If anyone needs information on any of the operations of the VFW, please contact us at the headquarters in Lansing.

## Advocating For Others

Paul Pirlot

Many of us are familiar with the VA program that allows a veteran to apply for structural alterations to a house if modifications are needed due to service connected disabilities. These alterations are usually approved for veterans who have suffered traumatic amputations or are blind or a combination of both. But what if a veteran suffered an accident after service that left him seriously disabled? Is he or she ineligible because the disability is not related to service? The answer is no, but there is a program that he or she is eligible for.

The VA has a program called Home Improvements and Structural Alterations (HISA). This is a grant program that allows for medically necessary home improvements to a veteran's primary residence. Alterations may include: entrances and exits from the home, bathroom and kitchen renovations, entryway or driveway improvements to ease access to the home to include construction of a ramp, and improvements to plumbing or electrical systems when needed due to the installation of medical equipment.

The grant does have limits with respect to dollar amounts. There is a lifetime limit of up to \$6,800 for those who have a service connected disability or a non-service connected condition rated 50 percent or more. For those veterans who do not meet those criteria a lifetime benefit of up to \$2,000 may be provided.

So, you believe you may qualify for the grant. What is the first step? The best option is to start with your primary

care physician, preferably VA to ensure a smoother process. The physician must fill out a prescription that includes the specific items required, a medical diagnosis and justification for those items, and the veteran's name, address, social security number, and phone number.

Next is completing an application. This is done using VA Form 10-0103, VETERANS APPLICATION FOR ASSISTANCE In Acquiring Home Improvement and Structural Alterations. The applicant must also have quotes from at least three licensed contractors and include the contractors' name, address, telephone number, and Federal tax ID number or social security number. The veteran's name, address, and telephone number must be included as well. If the property to be renovated is rented or leased you must have written permission from the owner. The last requirement is a photograph of the work site prior to construction. To apply contact your local Prosthetic Service at the nearest VA medical center.

VA also provides grants to veterans with certain permanent and total service-connected disabilities to help purchase or construct an adapted home, or modify an existing home to accommodate a disability. Two grant programs exist: Specially Adapted Housing (SAH) grant and Special Housing Adaptation (SHA) grant.

In addition to the loss of limb or blindness referenced at the beginning of this article the VA also includes certain burn injuries and respiratory injuries. Like the HISA grant, the SAH and SHA have limits which are adjusted annually. No individual may use the grant benefit more than three times up to the maximum dollar amount allowable.

danced with "Miss Clinger", our State Commander Harry "Les" Croyle 2014-2015, and yes, we have pictures to prove it!

Membership was again the main topic at the 116th VFW National Convention this year. We heard from each of our National Officers speak about recruiting and retention of members. I attended a Membership Class put on by the Young Post Officers of VFW Post #1 in Denver, Colorado. Post #1 is increasing New members by leaps and bounds. These Young Post Officers & Post Members have completely turned Post #1 around, from wiping out a 6 digit deficit to having money in the bank. If each of us would just recruit (1) New or Reinstated Member, just one, we would help our Posts, our Councils, our Districts, our Department of Michigan achieve 100% in Membership. Today, we still have eligible Veterans from all Wars and all Conflicts, who do not belong to the Veterans of Foreign. Many eligible Veterans have never been asked to join the V.F.W. Yes, that's right, they have never been asked. Many eligible Veterans are returning home from Afghanistan. WE just need to ask these Young Veterans as well as ALL Veterans from ALL Wars and Conflicts to join the Veterans of Foreign Wars. Tell them about the VA Benefits and VA Healthcare, that they could be eligible to receive. Tell them about the "Best" V.F.W. Department of Michigan Service Office (Detroit) and the "Best" Service Officers throughout Michigan that will help them apply for VA Benefits. Don't be afraid to

ask any of these Veterans, where ever you see them. It could in a grocery store, at a restaurant, at a concert or even at a water aerobics class. Yes, a water aerobics class. I just signed up a New "Life" Member at my Friday water aerobics class, when I returned home from the VFW National Convention in Pittsburgh, Pennsylvania. I went back to resume my water aerobics classes. I met the Veteran a month ago at one of my Friday aerobics classes. He was wearing a U.S. Air Force cap, so I started talking to him and at the end of the conversation, I gave him an application. I kept asking him every Friday, when I saw him with his son. He said he didn't want to be an Annual Member but wanted to be a Life Member. So, he paid his Life Membership Fee with his American Express Card. Oh yes, he is joining my Post 2645 Southfield.

I also attended the Membership Training Class conducted by Director Bob Crider and Assistant Director Rick Butler. Rick Butler attended our Department Convention in June 2014 and conducted an excellent Membership Training Class on Sunday, following the Department Convention. If you need any Membership Material for recruiting, please call Rick Butler at 1-816-968-2752 or email him at rbutler@vfw.org. Rick will make sure to get Membership Recruiting material to you that you need. Oh yes, many membership materials are FREE! All you have to do is pay the shipping charge. At this year's National Convention, anyone, who wanted the FREE membership material as well as ordering

## Department Service Officers

### SUCCESS STORY

Clear and Unmistakable errors (CUE) occur when the VA fails to follow procedural directives, overlooked material facts of records, and/or failed to apply or incorrectly applied the laws or regulations in place at the time the claim was filed. There are occasions when these errors are not discovered until decades later.

Our service officer was reviewing the veteran's claim folder in preparation for an appellate hearing. While reviewing the military medical records an entry caught his eye. The veteran had suffered a serious gunshot wound during the Korean War and it quickly became apparent he had been seriously under evaluated. Additionally, the residuals of his gunshot wound were worse than his evaluation currently reflected. The service officer began to suspect the original rating for the gunshot wound was incorrect. The veteran was rated at 10 percent even though the muscle wound was through-and-through and severe. Upon further review of the veteran's service treatment records it was shown his gunshot wound required lengthy hospitalization, debridement of the muscle area, had become infected, and sustained weakness.

After a thorough review the service officer became certain the VA had erred in the original decision and submitted a claim for a CUE in regards to the original evaluation and for the residuals of the gunshot wound. According to the Code of Federal Regulations in effect at the time of the injury the severity warranted a much higher evaluation than a 10 percent rating.

During the subsequent hearing on a related issue the service officer was able to persuade the VA Decision Review Officer (DRO) to look into the matter of the CUE. As this was not normally a part of the appeal process he had to convince the DRO to take jurisdiction over the matter. It should be noted there are few rating officials who are trained or have the experience to deal with this kind of claim. The DRO's are raters with the highest level of experience and training and this certainly worked in our and the veteran's favor.

Upon review of the record the DRO agreed the VA had indeed committed a clear and unmistakable error. The DRO requested a Compensation & Pension examination so a VA physician could review the veteran's service medical records and formally describe the severity of the gunshot wound at the time it occurred. The DRO made the decision to retroactively increase the veteran from 10 percent to 40 percent disabled for the gunshot wound back to 1954. In addition, the veteran had filed for Total Disability Individual Unemployability (TDIU). This issue had been previously denied and warranted another look. The veteran was granted TDIU back to 2002 and his appeal for an increase for the residual effects of the wound was also granted retroactively.

This resulted in a retroactive payment of over \$421,000! Persistence, attention to detail, and teamwork once again were at the forefront of the VFW service office. Though late, this veteran received what he had been entitled to for the last 60 years.

## DISTRICT 5 REPORT

**Scott Gloger**  
District 5 Commander

Greetings Comrades:

First thing I would like to congratulate all the newly elected officers within our district. I look forward to working with everyone. Congratulations go out also to the new President Kathy Hubbard. I know we can have a good working year together for our district.

I especially want to thank all our members for having the confidence in me to represent you for our district; I will try and do my best.

I hope everyone's year is going as well as can be expected. It is that time of year the Post inspections are being done. Please be cooperative with the inspectors, they are doing the job which helps to determine if a post needs help or not. It is still for all of us to be working on membership now, instead of waiting till the last minute. We need to

recruit all year round.

Please do not forget to report, report, report, hospital and activities by the 10th of every month.

If an officer misses two consecutive meeting he/she can possibly be removed by the commander.

At our district meetings the post commander and or representative must be in attendance.

District Meetings:

- August 23, 2015 St. Clair Shores Post 1146
- November 8, 2015 New Baltimore Post 7573
- February 21, 2016 St. Clair Shores Post 1146
- May 15, 2016 Waterford Post 1008

Have a good year.

## DISTRICT 9 REPORT

**Mike Fineis**  
District 9 Commander

Congratulations to all newly elected and appointed officers. I ask that you take a professional approach and read what your duties and responsibilities are for the coming year. Order from national supply the "Podium Edition of the - Congressional Charter - By-Laws -Manual of Procedure - Ritual". The more knowledge you have, the better off your post will be. Also, attend the Department and District schools of instruction.

For the outgoing officers, be there to guide and advise, not to lead. To many times posts make the mistake of "we've always done it that way". This concept stifles eagerness and innovation. The Iraq and Afghanistan vets are High Tech and full of energy and ideas. Allow them to flourish and bring their knowledge into your post. This is what we as an organization must do in order to grow.

I know of one post in our district that has a half dozen active Iraqi and Afghani

vets. If you want info on their membership program, call Denny Craycraft or me.

Your District Line Officers and Chiefs are traveling in mass thru the district. Our goal is to get all the post up to date on all paper work required per by-laws. So if your post has not been visited by us yet, you will see us soon.

Report, Report, Report. Maintain your nonprofit status and keep the IRS at bay. Membership: Get your "spark plug" by signing up a new or reinstated member. Send proof of signing to Denny Craycraft or me.

Support our raffles: reverse raffle, gun raffle, and others. For more information contact me or Sr. Vice Shane.

The District Bowling tournament; those interested contact Vic Simon at 989-763-3186 and/or Nicole Koutz at 989-620-6425.

Euchre, those of you who want to participate in a district euchre tournament,

### DISTRICT 10, continued

contact Ed Davidson at 989-681-5862.

To my President Jan, thank you. It has been a joy working with you. We have helped each other thru tough times. This is what friends do. I am honored to have you as my "El Presidente".

To Shane Houghton my Sr. Vice, thank you for being my right arm. Whatever I asked you to do, the task was accomplished and more. That's what teamwork is all about.

## DISTRICT 11 REPORT

**Dan Renberg**  
District 11 Commander

I hope everyone enjoyed a very nice 4th of July weekend. The weather was great...lots of sunshine and no rain.

By the time this article is posted in the MOV, we will have had our district meeting at Houghton Lake Post 4034 Our next district meeting is at the Standish Post 3724 on November 1st. Please do not forget operation help dinner—dance also at Standish Post 3724 on October 31st at 6:30 p.m. until around 9:30 or 10:00 p.m. for more information regarding this, call 989-846-6533. So come out to operation help, have a good dinner, and dance the night away.

For those who will not make the District meeting August 2nd, a big change has been made as far as trustee's signatures on your post quarterly reports. All three trustees must sign it, "no" pro temps or your reports will be returned to your post. This has come down from National

and is not debatable. If trustee cannot be there, a letter from said trustee and post commander to department explaining reason why trustee cannot sign report. This does not ensure an acceptance of report.

One last thought, we all know that our number one goal is to help the veterans, but we need members in the veterans of foreign wars to continue on with this mission. Comrades, our ranks are shrinking each and every day, we need to bring in new members and to bring back old members who have stopped attending post meetings and district meetings. We also need to attend the State Conventions and stand up like True Veterans of Foreign Wars. We also need to get out and bring in new veterans to our ranks. I am asking you to get out and sign up one, two, three or more new members. Make it your personal goal.

## DISTRICT 14 REPORT

**Joseph Frappier**  
District 14 Commander

Comrades and sisters, 14th district.

Hello from the Upper peninsula of Michigan!

Posts in the 14th are doing a good job, with reports. Just a note—please take a moment check reports for omissions and figures before mailing. Thank you!

Please send reports to chairmen or department headquarter, not to me. Also, all post quarterly reports must be signed by trustees, not anyone else, or reports will be sent back – per department rules, this year.

Now some news that is the news?

National veteran's service, do you need help filing a claim? VFW's national veterans service has a VFW department

sure your post quartermaster and adjutant are present for the inspection.

Our fall conference will be held on September 12 & 13, at the Bessemer Post. A schedule will be distributed to all posts.

Mid-winter February 8, 2016 Post 2891 Crystal Falls

I will schedule our District Convention once I get the State Commander's Testimonial dates.

Hope to see all post commanders or their designated representative at the meetings.

Thank you for all you do.

## Military Order of the Cootie "You Are Not Forgotten"

## DEPARTMENT PRESIDENT

**Deb Hanes**

I am proud and humbled to have been elected the Department of Michigan Auxiliary President for 2015-16. I am a life member of Wayland Auxiliary #7581, District 8.

First, I would like to extend congratulations to all the newly elected and appointed Officers and Chairmen at all levels. I know that each of you will strive to continue to fulfill our mission – serving our veterans, their families and your community. Our website contains a wealth of information that will aid you in fulfilling our mission; be sure to visit it at [lavfwmi.org](http://lavfwmi.org).

A special congratulation goes out to Sandi Onstwedder, who was elected National Guard at National Convention in Pittsburgh! I'm sure as she rises through the ranks toward National President she will make Michigan very proud with her achievements!

This will be a year of great change in the Auxiliary. The VFW passed a resolution at National Convention to allow male members who meet the membership eligibility requirements to

join the Auxiliary, beginning August 21, 2015. As of this writing, we do not know much more than that, but will keep you informed as we get more information from the National Office. It is VERY critical that you keep checking our website for that important information.

Many changes to the Auxiliary National Bylaws and Ritual is a huge reason we strongly encourage you to attend your Auxiliary and District Meetings. These meetings are where we can get information out to the most people at one time. Please make every effort to attend and catch up with friends and Sisters you may not have seen for a while.

With the elimination of the Cancer Aid & Research program, we have now named our fund raising pins "Auxiliary Program Pins". The money raised this year will be going to support our veterans programs. The pins are non-gender specific and very patriotic. These pins could be used as jewelry on a lapel, awards for students, gifts to our hospitalized veterans; the list is endless.

I look forward to working with Department Commander Paul McIvor and his team to help Michigan have a great year!

Remember we are in this for our Veterans – "They Are the Stars on Our Flag".

## DISTRICT 5 PRESIDENT

**Dianne Donan**

I'm very excited and honored to have been elected as 5th District President. Our District encompasses Macomb and Oakland Counties with

18 Auxiliaries.

I have been a member for 4 years being recruited by Past National President Sissy Borel, under my husband, James who served in Vietnam. We have been married for 46 years have 3 sons and been blessed with 6 grandchildren.

Upon joining our organization, I have served in various chairmanships. In 2013, I was asked to organize Auxiliary 334 and have served as membership chairman and President since. I have also been equally busy at the District level

serving as Chaplain to President. I can say my favorite program is membership recruiting; this is a way to share all the many wonderful programs we offer for our Veterans their families and our communities

The goal this year for 5th District includes working with our Auxiliaries in promoting membership and encouraging District attendance, by increasing our training with nuggets of knowledge, and filling their buckets with wisdom. By learning more this will strengthen our Auxiliaries in 5th district by strengthening the link from Department to our local Auxiliaries making Michigan stronger.

My motto this year will be to "Remember everything you've ever wanted, is one step outside your comfort zone." Also, "Look at life through the windshield, not the rear view mirror."

## DISTRICT 6 PRESIDENT

**Heather Shepherd**

Sisters, Comrades, & Friends:

Welcome to another year from the super sixth. Let me introduce myself. My name is Heather Shepherd, your 6th District President for the 2015-16 year. I am a life member of Jean R. Anderson Ladies Auxiliary 7309 in Mason. I joined in 2007 under the eligibility of my husband Rick. Within the Auxiliary I have held the positions of Jr Vice, Senior Vice, Secretary, Treasurer, and Auxiliary President for two years where I earned Auxiliary Achievement. I have held several chairmanships as well.

The 6th District includes the counties of Ingham, Livingston, Jackson, Washtenaw, Lenawee, and Monroe. Our district meetings for the year are as follows: Aug 8th – Post 4187 Tecumseh, Dec 5th – Post 4357 Brighton, Feb 6th – Post 423 Ann Arbor, and May 7th – Post 4093 Carleton.

My family has a rich history of military service which includes my husband

Rick whom is still serving in the US Army Reserves, my father John, and father-in-law Rich. US Army, my grandfather Wilda, US Navy, and many uncles and cousins of whom are still currently serving.

My husbands, Rick and I have been married for 16 years. We reside in Mason and have two fur children Mocha Macy and Liberty Belle. We have two nieces that we are both very proud of. I am currently employed with the State of Michigan.

I was asked to indicate what my favorite program is with the ladies auxiliary. I can't really say I have a favorite. Each program has their own special way to help all veterans, their families and the communities. Each program is equally important in teaching patriotism and addressing veteran's issues.

My goals for this year are to grow membership, to have more members attend meetings by giving them the training and an understanding of the rich traditions of the Ladies Auxiliary to the VFW. I look forward to serving the Auxiliaries of this district and this great organization.

## DISTRICT 4 PRESIDENT

**Sandi Merrow**

**Sandi Merrow**

Greetings! I am Sandi Merrow. I am your District 4 President and I am proud to represent the mighty 4th District Auxiliary. I joined the Auxiliary to the Veterans of Foreign Wars on August 8,

2008 under the eligibility of my husband, Past District 4 Commander Phil Merrow. My husband and hero, Phil, served with the U.S. Army during the Desert Storm Gulf War.

District 4 covers all of Wayne County and we currently have 16 auxiliaries. I have 3 District meetings scheduled and the first one will be September 13th at the City of Southgate Post 9283. A School of Instruction for chairmanships plus Treasurer, Secretary and Trustees will be held at this first District meeting. Our second meeting will be February 7th at the Lyskawa-Tutro Post 7546 and our last meeting will be held at the Mayflower Lt. Gamble Post 6695 on May 7th.

I am currently a Life Member of the Auxiliary and a member of the Mayflower Lt. Gamble Auxiliary 6695 in Plymouth. Before I became a member of Auxiliary 6695, I was a charter member of the Lyskawa-Tutro 7546 where I served as the first auxiliary president then another 5 years as a member in various capacities

– Secretary, District 4 Color Bearer, District 4 Asst. Conductress, District 4 Credentials and several chairmanships at the Auxiliary level.

My favorite program is the Youth program and I can connect this with my employment with Dearborn Public Schools where I serve as a Parent/Community Liaison for the past 18 years. I am able to promote and teach Americanism and Patriotism throughout the school. I have also included the District 4 Honor Guard who has taught the children flag etiquette and the proper folding of the flag. During the Holidays, I have the students draw or write letters and cards to the veterans overseas and the VA Hospitals. This endeavor gives the children a sense of pride and how many sacrifices our veterans are making.

My family consists of my husband Phil Merrow and two beautiful daughters, Brittany and Alisha plus 3 Dachshund dogs who rule the house. We are looking forward to the marriage of both daughters in the near future.

One of my goals this year is to work closely with my Auxiliaries and help each one to improve membership and report, report, report. I would like to see more Auxiliaries receive the Auxiliary Achievement Award and will suggest a resume writing workshop again this year. We are here to serve and save our membership and educate everyone on the reason we are here – VETERANS. God Bless America and our Veterans.

## DISTRICT 7 PRESIDENT

**Lou Ann Conklin**

Thank you ladies for allowing me to represent our district! I have been a member since 1986 when I joined under the eligibility of my husband, Andy who

served in Vietnam and is currently serving as Department Judge Advocate. I have been through the chairs at VFW Auxiliary 6248, as well as the District and served as District President five years ago. I have served as treasurer, trustee, Americanism chairman, Historian, Legislative chairman, Camp Trotter chairman, secretary, and Department Banner Bearer.

I have completed recruiter training

and have already recruited two returning members who will now be life members, and one new member. My son, Kevin is currently serving as my cohort as District 7 Commander for his second term. Together we hope to keep District 7 on the right path.

Our first District meeting will be August 2, 2015 in Sturgis. Please join us; we will be having a school of instruction and a special treasurer, secretary, and trustee training. Lunch at 11:00, official meeting starting at 12:30. Each auxiliary is required to have their president or an appointed representative at this very informative meeting to hear what is going on in the auxiliary and the District plan for the new year - "Serving our Shining Stars, Our Veterans!"

**God Bless Our Troops**

**DISTRICT 8 PRESIDENT**

Joan Broek

District 8 encompasses the counties of Allegan, Barry, Eaton, Kalamazoo, Kent, and Ottawa. This year our meetings are

scheduled as follows: August 1 at the CE Schumacher Post #3946, located at the American Legion #2; November 7 at Coopersville Post #5598; February 6, 2016 at Otsego #3030; and May 7 at Wayland Post #5598.

My eligibility is through my husband, Doug, who served in Viet

Nam. I am also very proud to say that my father was in the Navy and served during WWII in the Great Lakes area.

My husband and I both are members of VFW 702-Wyomig/Grandville and we spend many hours volunteering at the Grand Rapids Home for Veterans and always find our time with the veterans fun and very enjoyable.

My goal this year as the District President is to encourage auxiliary members to partake in more volunteer activities for our veterans. I also would like to lead by example and show how important it is for our posts and auxiliaries to work more cohesively together and enjoy serving our veterans and their families.

**DISTRICT 12 PRESIDENT**

Donna Miszewski

Hello, my name is Donna Miszewski and I am honored to be elected President of District 12. The counties in my district are: Lake, Manistee, Mason, Mecosta, Muskegon,

Newaygo, Oceana, and Osceola a total of 18 Auxiliaries. On October 27, 2010 I became a member of the Gold Bar Post 5096 Ladies Auxiliary in Custer Michigan, being eligible from my father who was in WWII. In 2011, I was elected first Senior Vice President. In August of that same year I became President because the former President had to resign because of her spouse's health. I have held this position to the present.

My husband and I live on a five hundred acre farm growing corn, oats, wheat and hay. I have three daughters and a son and nine grandchildren.

For over twenty six years I have been working as a sub-contractor for five paramedical companies doing exams, phlebotomy and health fairs. I help out with my husband's farming operation and for my hobby I enjoy driving my horses for pleasure and in parades.

I like all the programs the VFW offers but I really enjoy helping with the family support issues. For example, going to

the homes and visiting the vets. I enjoy taking gifts and cards to them. They are very grateful and appreciative for the visits and I in turn appreciate all they have done for our country. I sign Christmas cards for our troops for the holidays. I also send "all occasion" cards to the troops so they can send them to their families.

Working with the youth in our community is another pursuit of mine. For example our Easter and Halloween parties at the post including the youth auxiliary programs. I am a board member of Circle Rocking S Children's Farm, Fixing Furry Friends-Second Chance Humane Society and the Mason Co. Family Events.

My main goal for the year:

- 100% membership for District 12
- Recruit new auxiliary members
- To increase attendance at the District 12 meetings

**DISTRICT 9 PRESIDENT**

Jan Lawrence

Hello Auxiliary members of the 9th District. I am so excited to be your District President for the 15-16 year. I believe we are off to a great start. Our District Commander,

Mike Fineis and I are working together and envisioning us to be the Mighty Ninth as we have been known throughout the Department of Michigan.

I would like to congratulate Julie Garnica, District President 14-15 and her officers and chairman for an outstanding year. We finished June 30, 2014 in 1st Place with Membership and District 9 achieved 3rd Place District of the Year.

Now, let's work to achieve that goal again this year. We have had our planning meeting in July and our programs are set for the year. In August we attended Michigan Day at the National Home and our District was responsible for one of the raffles. Thank you to all that participated in the events and helped sell tickets.

Our first District Meeting is September 13th and will be held at the Durand VFW Post 2272. We will begin the day with Secretary, Treasurer, and Trustee training at 9:00 AM with the meeting to follow at 10:00 AM. I look forward to seeing all of you there.

Department Fall Conference will be October 1st - 4th at Boyne Highlands just north of Petoskey. I encourage you to attend this conference as there will be many wonderful workshops for you to attend.

Our second District Meeting is November 7th and will be hosted by the Owosso VFW Post/Auxiliary 9455. Actual meeting place for the Auxiliary is yet to be determined.

I will be beginning my inspections of the Auxiliaries in our District in September and plan to finish sometime in December. I look forward to having an opportunity to meet with each of you at that time.

If you ever have any questions or concerns please feel free to contact me. My cell number is 989-292-0917 and my e-mail is janione@frontier.com.

**DISTRICT 11 PRESIDENT**

Josephine Miller

District 11 encompasses the following counties: Bay, Midland, Isabella, Clare, Gladwin, Arenac, Iosco, Roscommon, Crawford, Oscoda and Alcona.

Our district meetings are held the first Sunday in August, November, February and May. The locations for the next year have already been announced. In August the meeting will be held at Houghton Lake 4034. November at Standish 3724. February at Roscommon 4159 and finish up the year at Harrison 1075. At the August meeting there will be voting to have the February meeting or not.

I am a member of Gladwin County 7303 where I am currently Sr. Vice President and Historian. I also have the following chairmanships: Camp

Trotter and Scholarships. Previously I was auxiliary president. I became a member in 2006 under the eligibility of my father who served in WWII.

I am single and live in the home that was my late parents. I am a substitute teacher employed by PCMI and work in the Clare - Gladwin counties.

Some of the auxiliary programs that are special to me are: Hospital - taking clothing to the Grand Rapids Home for Veterans; Veterans and Family Support - Our veterans always need our assistance, especially the National Home. I became familiar with the National Home long before I ever became a member of this organization; and our Youth Program - working with the children is very important to me.

As the District 11 Auxiliary President I will strive to inform individuals of the programs that are available. I hope to make our District meetings more enjoyable and informative.

**DISTRICT 15 PRESIDENT**

Carole Morris

I am Carole Morris from District 15 and belong to Post 3900 Ladies Auxiliary. We are the most northern Auxiliary in the state. I joined the Auxiliary off my father's eligibility in the fall of 1991 in Tacoma, Washington, where I served as an Auxiliary and District President. Also, I have served as District Commander and a Post Quartermaster at Post 91. I have held numerous state chairmanships and was a VAVS representative at America Lake VA, which is part of the Puget Sound Health Care system.

In August, 2007, our family moved to Michigan and I began to become active once again in 2009. I have three daughters, two sisters, and one granddaughter who joined off my eligibility and we have done a lot of volunteering together.

District 15 covers many miles! We have members in Houghton, Ontonagan, Baraga, Iron, Gogebic, Dickinson, and Keewenaw Counties.

My favorite programs are Hospital and Veterans and Family Support. I find you can get a lot of family and friends involved in these two programs and you create many happy memories doing these. My husband and I did a lot together until his health failed. However, my family and I have found that with his passing, being part of the VFW family makes us feel like he is still actively with us.

Our first district meeting is September 13th in beautiful Wakefield at 9:30 a.m. CST. It will be a School of Instruction so I hope so see representation from all our Auxiliaries.

I am committed to increasing membership this year and look forward to getting to all the Auxiliaries and seeing them again, as this is my second time being able to proudly serve this District.

"The basis of our political system is the right of the people to make and to alter their constitutions of government." A quote by "George Washington" that is stronger than ever today.

Our Legislative program is challenged with providing a direct link between legislators and our Veterans. We are the advocates for all past and present, man or woman that served our country so faithfully. It is imperative that we take a stand to monitor all legislation that pertain to our Veterans and help to change it when needed.

It's time to lend a hand and support are Veterans by helping promote and carry out The National Veterans of Foreign Wars two youth scholarship programs; the Voice of Democracy Scholarship Program and the Patriot's Pen Scholarship Program. These are excellent opportunities for our young people to apply for, and earn, scholarship money for their educational pursuits. Please share the following information with the youth in your communities.

The Voice of Democracy Contest is open to all high school aged students in grades 9-12, it consists of writing an essay, followed by recording it on a CD or thumb drive NO TAPE CASSETTES WILL BE EXCEPTED THIS YEAR, THE ESSAY MUST BE ON CD OR THUMB DRIVE. This essay must be between 3-5 minutes in oration. The 2015-2016 Voice of Democracy Theme is: "My Vision for America". This entry is turned into a VFW Post for judging by midnight Nov. 1st 2015. The winner of the Post then goes to District for judging and then District winners go on to Department. The First Place winner in the Department of Michigan will earn a \$6,000.00 Scholarship, the winning Department entry may lead to being the winner of the National Veterans of Foreign Wars First Place Award of \$30,000.00.

The Patriot's Pen Essay Scholarship

Contest is open to students that are in 6th-8th grade. The 2015-2016 Theme is: "What Freedom Means to Me". This original essay needs to be between 300-400 typewritten words. Every word counts. Deadline for entry into this program is also midnight November 1, 2015 with submission to a VFW Post. The Post winner goes on to District, the winner of District then goes on to Department Competition. The First Place winner in Michigan will receive \$1,000.00 and the National First Place winner will be awarded \$5,000.00.

The Ladies Auxiliary to the Veterans of Foreign Wars also offers chances to achieve scholarship money. The Young American Creative Patriotic Art Scholarship is open to students in grades 9-12. Entries should be submitted on paper or canvas. Sorry no digital art is accepted! All entries will be judged on patriotic theme and technique along with creativity. Deadline for entry to a VFW Auxiliary is March 31, 2016. Entries to the Department of Michigan must be residents of Michigan. The First Place winner in Michigan will be awarded \$1,100.00 and will go on to compete in the National Competition where a \$10,000 Scholarship is top prize.

The Ladies Auxiliary VFW Continuing Education Scholarship is for members and their immediate family only. It can provide financial assistance. The screening criteria include the student's financial needs and a short essay. Application is due to National by February 15, 2016

All information on these scholarships is available at [www.vfwmi.org](http://www.vfwmi.org) or [www.lavfwmi.org](http://www.lavfwmi.org) under programs.

**VETS AND FAMILY SUPPORT CHAIRMAN**

**Debbie Sheetz**

Hi Everyone,

SUPPORT: to me this is why we all belong to the Ladies Auxiliary (now the VFW Auxiliary) and to the VFW, to SUPPORT our Veterans. Not only the Vets that have fought in WWII, Korea, Vietnam or the Gulf War, etc. but all the Vets that are still fighting for us now. We all must do our part as sisters and brothers of this GREAT organization to help every Vet we can. There are many ways we can do this.

The first way is through our national programs that we can SUPPORT our Vets. These programs are National Veterans Service, VFW's Veteran's and Military Support Program, VFW National Home and Buddy Poppy. We all should be pretty familiar with all of these programs. If you need any clarification on any of these you can find this on either the VFW site [www.vfw.org](http://www.vfw.org) or go to the Ladies Auxiliary site at [www.ladiesauxvfw.org](http://www.ladiesauxvfw.org) with more in-depth explanation of each program and how to donate.

You can also contact your local VFW or Auxiliary and participate in their fundraisers or events that they have to help the Veterans at their post or in their

community. You could also volunteer at your local VA hospital. I know firsthand that the VA has volunteers at the hospital doing numerous things on a daily or weekly basis, like visiting the Vets that are at the hospital permanently or there just for treatments or staying after surgeries. The volunteers play games and hang out with them keeping them company, showing that we still care for our Veterans no matter where they are in their life.

Another way you can support your Veterans is just by saying "thank you". When I am out in public like the grocery store or the bank and I see some in a military uniform or fatigues, I go up to them and just say "Thank you for serving". I have done it numerous times, mostly in airports, but anywhere is fine. Believe me you will make their day and yours, too! It feels good to thank someone for what they do for you. And we all know that the military is around to protect us and make us safe so SUPPORT our Veterans in any way you can, by donating money, volunteering your time, or just by saying "Thank you!"...it all goes a long way.

### DEPARTMENT CHIEF OF STAFF

**Stephanie Krueger**

**“IMPORTANT NEWS!**

Ladies Auxiliary To Become *The Veterans of Foreign Wars of the United States Auxiliary (VFW Auxiliary)!*”

This may very well be some of the most important information you will receive this year. At the recently completed National Convention in Pittsburg, PA, the Veterans of Foreign Wars voted overwhelmingly to change their By-Laws and allow the male relatives of veterans eligible to join the VFW into the Auxiliary. They also voted to change the name of the Auxiliary to The Veterans of Foreign Wars of the United States Auxiliary or VFW Auxiliary for short. This change will take effect 30 days after the convention so that means on August 21, 2015 we will begin accepting and voting on applications for

your male relatives to join your female relatives already in our auxiliaries.

**To be clear the following relationships are now eligible:** both parents, all siblings, all children (age 16 or older), all grandchildren (age 16 or older), and grandparents. If you are a veteran who is eligible for membership in the VFW, we need your help to get the word out to your relatives. Please contact your own local auxiliary or one nearby to sign up the newest members. We will need a DD214 for proof of their eligibility unless they are joining your own post’s auxiliary. In that case we need the information on your service, but do not need to see a DD214.

This will be a learning process for all of us, so please be patient as the bugs are worked out in this new change of eligibility. Be ready to give us those members and we promise to put them to work for our Veterans! Help us make history, and show the Veterans of Foreign Wars that their decision was embraced by all of us.

### HOSPITAL CHAIRPERSON

**Marian Hamann**

Do you have what it takes to become a hospital volunteer? Truthfully, all you need is a little time, transportation and a caring heart. Someone once said, “The world is hugged by the faithful arms of volunteers.” Won’t you consider becoming a hospital volunteer?

Many Veterans in the hospital feel alone and forgotten. A few hours of your time could brighten their day, change their entire outlook and even speed up their recovery. Putting a smile on a patient or resident’s face warms your own heart and you immediately know that you have made a difference.

“Summer of Service” is a new VA initiative to increase volunteers. VFW

Auxiliary members may choose to volunteer at Veterans Administration (VA) medical centers and clinics, local hospitals, Veterans’ homes, nursing homes, and domiciliaries. Auxiliaries can sponsor non-members volunteers and youth volunteers.

For information about volunteer opportunities, contact the Voluntary Services Department at a medical facility or nursing home in your area. Tasks could be as simple as helping a patient play bingo or just being a good listener.

If you are already a hospital volunteer, share your heart-warming experiences with others and recruit them as new volunteers.

**LEGISLATIVE DIRECTOR, continued from page 5**

county committees, dispenses grants to veterans and their families to relieve temporary, emergent financial crisis or hardship. The trustees represent the interests of the veterans community in both an advisory and advocacy role.

House Bill 4642 would amend the Veterans Trust Fund Act to do all of the following:

**Regional Committees**

The bill would eliminate references in the act to county and district committees and replace them with references to regional committees. The board of trustees of the Trust Fund would be required to establish up to 10 regional committees for administration of the allocated money on the local level by October 1, 2016, and be required to report to the Legislature the structure of the regional committees no later than August 1, 2016. Membership of these committees is described later in the summary.

**Eligibility**

The bill strikes current language regarding eligibility for benefits and replaces it by specifying that an individual who satisfies any of the following criteria would be eligible to apply for benefits from the Fund:

- Is both a resident of this state and a veteran.
- Is a resident of this state and is either an unremarried spouse or an unmarried dependent of a deceased individual who met all of the conditions set specified in the bill.
- Is a resident of this state and is either an unremarried spouse or an unmarried dependent of a member of the armed forces of the United States who was killed in action or who is missing in action. The Michigan Department of Veterans of Foreign Wars is against this bill as written.

Department of Michigan Auxiliary Members:

Please allow me the opportunity to thank each one of you for endorsing, and supporting me to run for the high office of National Guard. In case you have not yet heard, I was elected into the position. This could not have been possible without your help. So from the bottom of my heart, I thank you and give you my word that the decisions I make will always be targeting what’s best for Veterans and members.

I am so excited to be serving our organization on the national level. Many positive changes will be occurring for all of our Auxiliaries over the next few years. I fully understand that change is often hard for some of us. We each need to recognize it must occur. This will keep our organization strong and growing, thus assuring that we can continue to improve how to best meet the needs of our Veterans.

In closing, I promise to carry each of you in my heart as I learn year after year. When the time arrives for my year of leadership, I will lead with passion and commitment to all of you and the members across our country.

May God Bless each of you,  
Sandi Onstwedder  
National VFW Auxiliary Guard

The family of Past Department President, Faye Walter wishes to thank everyone for all their prayers and sympathies on her passing in August. We have lost a great Auxiliary Sister and Mentor.

Sincerely,  
Jan

### PAST DEPARTMENT PRESIDENT 2014-2015

**Candy Beatty**

I want thank the Department Line Officers, Past Department Presidents, Floor Officers, Chairmen and Auxiliaries, for the love gifts you presented to me at the State Convention. It was very thoughtful and kind of you.

Thank you for giving me the honor of serving you, our veterans and their families. The memories will live forever in my heart.

I wish Deb and her Officers and Chairmen the best year ever as we start on a new direction for the Veterans of Foreign Wars of the United States of America Auxiliary. Michigan will Rock again,

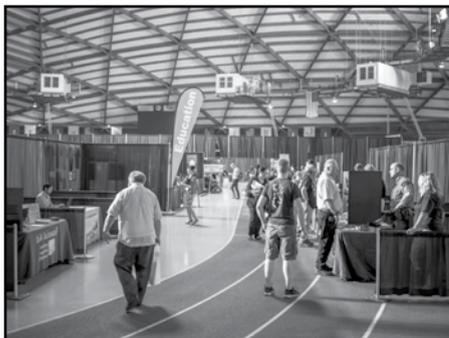

Again, a Big Thank You, to all my Veterans Angels.

**HE'S ON WATCH. SO ARE WE.**

 We always watch out for our own. And right now, our fellow veterans need us. Membership dues alone cover only 15% of the cost of VFW programs. With two wars and an aging veterans' population, demand is unprecedented. Please donate to your Department mailings. They're counting on us.

## Services, resources come together in one-stop Veteran Expos

*The Michigan Veterans Affairs Agency will again offer two Veteran Expos in 2015, where veterans can more easily learn more about resources and services available to them throughout the state. The first Veteran Expo will take place in Lansing in Sept. 11 and 12.*

Throughout Michigan a variety of resources are available to veterans, but finding the right services spanning employment, education and health care can be difficult. At Michigan's Veteran Expos all these resources come together in one place, offering a convenient way to learn more about services, benefits and organizations at the federal, state and local levels.

Building on the success of last year's events, the Michigan Veterans Affairs Agency is hosting another series of Veteran Expos in 2015 to help veterans and their families connect with resources and new opportunities across the state and within their local communities. Represented agencies will include service organizations, health care providers, recreation groups and more.

The first Veteran Expo will be held in the Lansing Center (333 E. Michigan Ave. in Lansing) on Friday, Sept. 11 and Saturday, Sept. 12. A second event will be held at the Dort Federal Credit Union Event Center (3501 Lapeer Road

in Flint) on Friday, Nov. 6 and Saturday, Nov. 7.

"Veteran Expos bring a wealth of opportunities directly to veterans," MVAA Director Jeff Barnes said. "This one-stop shop makes it easier for veterans to access the benefits they have earned."

A veteran from Morenci who attended one of the 2014 Veteran Expos found it useful to have many agencies providing different services in one place. Another attendee was excited there were "so many awesome resources for veterans." Many used the Expos to sign up for VA health care benefits, interview for jobs, receive a veteran designation on their driver's license and easily find other resources – all in one place.

Veterans and family members looking to utilize education benefits can learn more about how to get the most out of their G.I. Bill benefits. Representatives from institutions of higher education will be on-site with information about specific programs. MVAA can also guide veterans looking to transfer their military experience into education credits and a meaningful civilian career.

Hiring Our Heroes will again team up with MVAA to host a hiring fair for service members, veterans and spouses. Free resources for job-seekers will include resume workshops, on-site interviews, tips for success and keynote speakers covering a range of topics.

The expos will also feature a special display to commemorate the Vietnam War. The display pays tribute to the 50th Anniversary of the Vietnam War and honors Vietnam-era veterans, including the more than 242,000 Michigan residents who served.

For more information about the 2015 Veteran Expos, call 800-MICH-VET (800-642-4838) or visit MichiganVeterans.com/Expo.

## Camp Trotter Tales

**Ernie Myers**

Summer Camp 2015 has been a huge success – can you believe there were over 400 young campers enjoy our beautiful Camp Trotter. A huge "thank you to you the VFW Post(s)

and Auxiliaries. Without the support of the Comrades and Sisters of this great Organization the Summer Camp 2015 would not have been this kind of a success. There were 77 scholarship requests this past year and yes YOU the Membership stepped up and became sponsors for these children. The benefits realized were shown on the Facebook nearly every day with the big smiles on those young Campers. I want to thank a couple of Ladies Auxiliary Sisters for going above and beyond the daily reach out for children – Ruth "Raffle Ruthie" Barnhill and Cheryl Moorhead the Ladies Auxiliary Department Chairman were all over the promotion of getting the word out to send children to Summer Camp. The Summer Camp Director Denise "Scrubs" Arnold and the VFW Department Quartermaster Lynn Patterson with the daily support of the VFW Department Secretary Amanda Helms were on top of the continuous influx of Camp Applications. A job well done for their tiring efforts! Simply amazing!

A generous donation came forth from the Grandville-Wyoming VFW Post 702 which a new John Deere Gator "people mover" was purchased for the easy movement of people to the lake front and around the camp site.... Thank you Comrades you will make many older veterans and the handicap a lot happier.

Many upgrades on the Camp facilities have been completed to include the irrigation drainage lines leading away from cottage 5 & 6 and the drainage catch basin and drainage line leading down the steep hill to the lake front. Our Summer Camp Director always has many new surprises for the new Campers each year. This last year was the "Arts & Crafts" tool boxes and bookends – what will be the surprise for Summer Camp 2016 – you must have a child attend to find out!

Summer Camp will start with the Staff Training on 5 July with the Camping Season to begin on Sunday, 10 July and ending on Saturday, 20 August. The Camping Season started a week later this past year to allow the children to be with their families over the 4th of July – plus, the lake water was warmer for the swimmers. This proved positive for the Staff and the young Campers for Summer Camp 2015.

**FINALLY** – The VFW Camp Trotter for Children has been officially designated by IRS as VFW Camp Trotter Foundation. The employer Identification Number is 46-1413579. Effective Date of Exemption is November 26, 2012. Yes, we are a 501 (c) (3) – This qualifies our new VFW Camp Trotter Foundation qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. The New WEBSITE: VFW CampTrotterFoundation.org or go to the Department Website: vfwmi.org and click on the words "camp trotter". Comrade Phil Merrow has taken on the task of being the website(s) Administer for both sites. This is a big task to undertake. Thanks Phil.

Contact myself at emeyers76@att.net and/or find the info needed to join the Team on our Website: vfwmi.org/Camp Trotter. Orientation week starts 5 July thru 9 July 2015 for a full week of training for the Staff and then the children arrive on 10 July for the start of Summer Camp 2016.

The waterfront has been widened with more sandy beaches for the younger children with canoeing, paddle boats, kayaking and fishing and of course always swimming. Non-swimmers are taught how to swim by the private instructions by the Life Guards. Enjoy the summer camp fun with the evening bond fires and the hayride that will last a life time. Learning the sport of archery, the GA-GA Pit and the Nature Trail.

Comrades and Sisters – Your VFW Camp Trotter for Children would not exist if it was not for your continued support with not just financial but, getting the children to camp. The Camp can house 88 children per week so, let's chip in and get your children, grandchildren and your neighbors' children to camp. The VFW Camp Trotter for Children is open to all children ages 7 thru 12 and you do not have to be a veteran to send your child to camp.

If anyone would like to obtain the New Brochures, please contact me via email or by phone and I will mail you what you need for information regarding your Camp Trotter.

The new Summer Camp Dates will be:

**10 - 16 July 2016**  
**17 - 23 July 2016**  
**24 July – 30 July 2016**  
**31 July – 6 August 2016**  
**7 - 13 August 2016**

The Summer Camping Season has a Registered Nurse on duty 24/7 during camping season along with licensed certified Staff Employees. There is two (2) Life Guards on duty at all times when there is a camper in the water.

Thank you for your support to Camp Trotter – Become a VFW Camp Trotter Life Member which the forms are online.

Your, Camp Trotter Committee  
 Happy Trails.....

**VETERANS OF FOREIGN WARS OF THE UNITED STATES**

Telephone 517 485-9456 924 N. Washington Avenue, Lansing, Michigan 48906

Effective 1 July 2015

**Comrades,**

The Department of Michigan Veterans of Foreign Wars will no longer be accepting Post Audits that are not properly completed. No credit will be given to the Post until the deficiency has been corrected.

If your Post Audit does not have all three Post Trustees signatures on the audit it will be returned to the Post. If a Trustee is not available to complete the audit we need a statement from the Trustee and Commander explaining why the Trustee was unable to complete and sign the audit.

The National By-Laws does not state that the Post Commander is allowed to appoint a Trustee (Pro Tem). If a Trustee is unable to fulfill their duties they should be removed from the position and a new Trustee be elected.

The Department Officers understand that this is a big change and we are willing to help in any way possible with this change. We are trying to see that, we, as a Department are meeting all requirements that the National By-Laws set before us.

## Greetings from Ernie Meyers Sr., VFW Representative for the Board of Managers of your Michigan State Veterans Homes.

The Board of Managers consists of the following: 4 members that are recommended by their respective Veterans' groups and 3 independent members appointed by the Governor. The Governor of the State of MI appoints all members to the Board. The Board is responsible for the welfare of the Residents and oversight of both Homes. The following Veterans are the current members of the Board of Managers: Robert Johnson (American Legion) Chairman of the Board, Lino Pretto (Purple Heart) Vice Chairman of the Board, Marita Okerstrom (Independent) Secretary of the Board, Ernest E. Meyers, Sr. (VFW) Member, Jim Ausdemore (Independent) Member, Ron Schreiber (DAV) Member, and Paul Mead (Independent) Member.

As of October of this year I am stepping down after nearly 11 years of service on the Board of Managers representing the Department of MI VFW. I am humbled and honored to have served our Veterans of the two (2) State Veterans Homes over these past 11 years. I was honored to have served as the Chairman of the Board on 4 separate terms.

First and foremost, I want to thank both Sara Dunne (administrator for Grand Rapids Veterans Home) and Brad Slagle (administrator for the Marquette D.J. Jacobetti Veterans Home) and all of the Volunteers who work tirelessly

every day throughout the entire year. Some of these Volunteers have worked well over 30 years of service taking care of the Veteran Residents of both the Grand Rapids Veterans Home (GRVH) and D. J. Jacobetti Home for Veterans. Head Volunteer Representatives at GRVH include VFW VAVS Rep Steve VanValkenburg and for the Ladies Auxiliary VAVS Rep are Sonya VanValkenburg and Deputy Joan Broek. The Head Volunteer Representatives at DJ Jacobetti Home for Veterans include VFW VAVS Rep Marvin Mains and for the Ladies Auxiliary are VAVS Rep Renae Petrocik and Deputy Pamela Jackovich. Comrades, remember to thank these dedicated Comrades and Sisters along with their many Volunteers that help them make things happen. I personally want to say a huge "Thank You" for what you do for the Veteran Residents at the Homes.

Some of the highlights that I am proud to be a part of are: the new construction of the beautiful canopy and entrance to the front of the GRVH, the addition of the large "smoke room" that shelters the Veterans out of the weather, the newly renovated residents rooms which were re-designated from four-bed to two-bed rooms (the privacy of the Veterans was the main concern), and the complete renovation of the clothing store, which brings a very high standard for the Veteran residents to enjoy a much

## MAKE A LASTING GIFT

The VFW has been providing services to and for veterans for over 100 years. The original members who envisioned what this organization would be, and worked to build it, are long gone but their legacy remains.

You too have contributed to the legacy of the VFW during your lifetime. Consider continuing that legacy after you are gone. A simple way to do that is to include the VFW in your estate plans. For more information on how to make simple, smart gifts that benefit both the VFW and your family, contact our Planned Giving Office at 816-968-1119, by email at [plannedgiving@vfw.org](mailto:plannedgiving@vfw.org), or go to our website at [www.vfw.org/plannedgiving](http://www.vfw.org/plannedgiving).

broader selection of clothing in a store setting. I also want to make special mention of Sonya VanValkenburg who is the leader of a great staff that handles the daily operation of the clothing store.

I am equally proud of the new entrance and many renovations that have taken

place at the D.J. Jacobetti Home. (Please refer to the photos attached to this article).

I want to thank Bob Porter (retired financial person at the GRHV) who has spear-headed years of the Annual Memorial Day ceremonies that have literally involved thousands of the local Boy/Girl Scouts placing flags on the Grave Sites at the Cemetery at the GRHV.

Lastly, I want to thank Governor Granholm and Governor Snyder for their confidence in me for their appointment to the Board of Managers. Over the years I have gained a tremendous amount of knowledge in regards to the State Veterans Homes and the needs for our Veterans that reside within the Homes. Making friends that I will never forget, especially the other

Members of the Board of Managers over these past 11 years. I am encouraged with the newly formed Michigan Veterans Affairs Agency and how they interact with

the two Veterans Homes. The Director, Jeff Barns, Deputy Director Jim Dunn, and Senior Advisor Jason Allen have all done a tremendous job working with the Board of Managers and getting the much needed training that is vital for the future long range planning of the State Veterans Homes.

Attention Veterans – those of you that are 70% to 100% disabled can apply to be a resident at either home at no cost. Just call the GRVH @ 1-616-364-5000 and ask for Admissions.

In closing, I want to say thank you everyone for your many years of support and please continue to support the next Comrade representing the VFW that will help lead the State Veterans Homes into the future.

 FALL CONFERENCE  
 October 1-4, 2015

## STATE COMMANDER

Comrades and sisters, I would personally like thank all of you for the opportunity to serve as your State Commander for this next year. It is an honor that means so much to not only me but my family as well. I hope that everyone enjoyed the State Convention, and I would personally like to thank Pat & Pat Patterson for all their hard work.

How did everyone like having the VFW store at the convention this year? I would like to thank everyone who purchased items during the convention and it has been decided that they will come back to next year's convention.

This first month as the State Commander has been a busy one, adjusting to everything. My wife & I enjoyed our time at the National Convention, it was a busy four days gathering information, attending classes, and meeting the other State Commanders. One of the downfalls of the convention that could have been done better was the Patriot's rally. Though Toby Keith was sick I still believe that a better location could have been found. Pittsburgh is filled with amazing neat old buildings and an incline railway. We have also been given many opportunities to march in parades and visit some of your posts.

Over this next year I am asking for all posts to be at 100% membership, I know this is not an easy task to achieve but I am asking for you to strive to do your best. My goal is to return to next year's National convention and hear them call out Michigan when announce the Big States have hit their numbers and achieved their goals.

Now I need to go over some business items... I have been busy attending district meetings and while I fell short of visiting ever district, I am on a mission to visit all of them this year. But it has come to my attention that there are comrades speaking negatively about other comrades. If you have an issue with someone please do not

**Paul McIvor**  
 State Commander

talk about them behind their back, but have the respect to speak to them directly about the issues at hand.

Also please have your reports in on time as well as having your fees paid on time. If your post's fees are not paid on time it will be unfortunate but the post will be put on suspension. One of my main focuses this year will be membership and to help with that it will be announced that National will be offering a chance at an ALL EXPENSES PAID trip to have some fun in the sun. So for any district that achieves 100% by June 1, 2016 will have their name entered into a drawing...I don't know about you but a week in the sun is something that I could use!!

I had the amazing pleasure meeting the senior editor for the VFW magazine. She was in Michigan doing an article on Camp Trotter. I would like to thank Ernie and his staff for all their hard work they have done this year with a record amount of kids visiting and enjoying the camp. The coaches do an excellent job with the kids and the camp looks great. Camp Trotter is amazing place to relax and enjoy the sites of the water.

I hope everyone is enjoying their summer and look forward to seeing everyone at the fall convention and please remember if you need any help or have any questions to please feel to contact me.
