

We are having a Baby Shower!

Dear Comrades of Michigan:

The Department of Michigan program “Operation Bottom Cover” has been receiving your Post donations. Thank you!

On April 12 the Department Auxiliary will be hosting a “Baby Shower” at Midland VFW Post 3651 from noon to 4:00 pm to support the families of veterans in the huge catchment area of Saginaw VA Medical Center and all of the outpatient clinics under their control. Any family expecting a new child or with a recent addition is welcome to attend the shower. No registration is necessary, and lunch will be provided.

The Department is encouraging all VFW Posts that have not yet donated to Operation Bottom Cover or want to add to their prior contribution to make your donations to Department prior to April 1, 2025.

We intend to join with our Department Auxiliary to support this program. Please consider making your Post donation now.

Donations received after April 1 will be used to support the Auxiliary National Program, but we do want to keep as many of these dollars in Michigan as possible.

Thank you for supporting this great joint program with our Auxiliary.

Yours in Comradeship,

Barry Walter

Dept Adjutant / Quartermaster
