

Seasons Greetings Comrades, Sisters, Brothers and Friends:

During this season of joy, I want to express my heartfelt appreciation for your continued commitment and outstanding contributions to The Veterans of Foreign Wars Department of Michigan.

The holiday season is a time of joy, reflection, and planning for the future. I am so grateful for your continued dedication and look forward to all we'll achieve together in the coming year.

As the holiday season approaches, Ti'Kyra and I want to extend our warmest wishes to you and your family; regardless of how you celebrate; whether you're celebrating Christmas, Hanukkah, Kwanzaa, Ramadan Mubarak, or simply enjoying the winter break, may this special time bring you joy, peace, and moments with family that you will cherish forever.

To our comrades in uniform on the home front and abroad, I am extra thankful for your commitment to protecting our freedom. Sending you a bit of holiday cheer from across the miles!

Have a magical holiday season and a wonderful New Year!

In Comradeship,

Kimberly A. Napoleon

State Commander,

Department of Michigan Veterans of Foreign Wars

“One Team, One Mission”
