

## VFW DAY OF SERVICE POST PROJECT LISTING

Posts registered for VFW Day of Service in May 2025 as of 4/13/25, 1:00 pm.

Note 1: The National report shows 80 Post projects registered in Michigan, however Post 1138 Dist 6, Post 7309 Dist 6, Post 3243 Dist 10, Post 1887 Dist 14 and Post 6507 Dist 15 are each listed twice for two different projects. The total number of Posts registered therefore is 75. (we are 1st in the Nation in number of registered Posts!)

Note 2: We are presently seeing 3 to 5 days following Post's registration on the National website before the Post appears on the National project listing. This time frame will likely get shorter as we near May 1. This report is based solely on the project listing from the National website. To avoid any unintended listing of a Post registration that for any reason was not accepted by National we will not list any Post on this list based on the Post's direct report to Department. There is only one way to get registered and that is through the National registration page.
